VIP HOSPITALITY

H.E. Yasunori Morino – Ambassador of Japan to Saudi Arabia

Welcomed H.E. Yasunori Morino, Ambassador of Japan to Saudi Arabia, during a visit to a cultural exhibition in the Kingdom. During the visit, we discussed anime and its global impact, reflecting my personal passion for these series. The Ambassador's cheerful spirit and friendly personality made the interaction especially enjoyable.

H.E. Mr. Choi Byung-hyuk – Korean Ambassador to Saudi Arabia

Had the pleasure of hosting H.E. Mr. Choi Byung-hyuk, Korean Ambassador to Saudi Arabia, on a cultural visit to Al Qarah Mountain. The Visit combined exploration of Saudi heritage with a carefully organized program to ensure a memorable experience, a traditional gift bag was also presented to His Excellency as a gesture of appreciation.

MULTIPLE LANGUAGES

English-Speaking Audience

On a daily basis, I welcome and interact with visitors from around the world, representing diverse nationalities. I begin by guiding them through the exhibition areas, followed by hospitality services, and present them with a commemorative gift before their departure. I also ensure they are directed to specific cultural or hospitality routes. Through this work, I have built an extensive network of professional and international contacts.

Children's Summer Camp – Russian Language Class

A summer event for children included various programs, among them a Russian language session as part of the "Russian Week." I had the pleasure of participating and meeting Mr. Mahmoud, whom I sincerely thank for hosting us and giving us the opportunity to be part of this wonderful event.

Truly, the children are incredibly talented and have a bright future ahead.

EVENTS COORDINATING

Coordination of International Cruise Ship Visitors' Event

I supervised the coordination of cruise ship events at the exhibition, including arranging and preparing the venue, engaging volunteers to support the activities, organizing the hospitality and gift section, and ensuring comprehensive media coverage.

EXHIBITIONS MANAGEMENT :

Operations Manager

As an Exhibition Manager, I oversee the daily operations of the exhibition and lead a multi-talented team specializing in media, cultural guidance, and sales.

Public Relations

One of my key responsibilities is collecting visitors' contact details as part of a strategy to expand my professional network. I consider this an essential tool for building cultural bridges, as even a simple welcome message after a meeting can open opportunities and foster mutual trust.
